## Time, Talent & Treasure

### *Faithful Stewards: Supporting our Parish Mission*

*"Ask and you will receive; seek and you will find; knock and the door will be opened to you." LUKE 11:9*

Jesus assures us that if we ask, God will take care of what we need. The problem is that our culture often confuses what we really need with what we simply want. The truth is that many of us need very little.

However, we usually want so much more!

Stewardship is simply being grateful for all that we are and all that we have been given, and generously sharing all of our God-given gifts with others. Gratitude and generosity are gifts that open doors to new relationships with others and with God.

Hello, my name is **Moses Morgan**, and I have recently been attending this parish since my confirmation in the Catholic Church last year. I grew up Protestant, but personally encountered the love of Christ Jesus through the witness of FOCUS missionaries in my time at the University of Akron. **FOCUS (Fellowship of Catholic University Students) works on college campuses to share the Gospel with students, form them in the faith, and teach them to be leaders for Christ to their friends and classmates.** Since graduating, I will be joining as a full-time missionary with FOCUS at Wright State University in Dayton, OH. I would love to connect and get to know you, share how God is using FOCUS to change lives, and how you can join the mission. Thank you! **FMI contact Moses at 440-261-2947**

HETZEL'S HARBOR

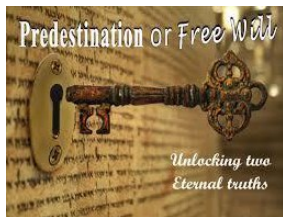

## 17th Sunday in Ordinary Time - 27 July 2025

This story of Sodom and Gomorrah that we hear in our first reading this weekend, what relevance does it have for us today? If we look at this story, it can teach us something about the nature of God and our relationship with him. Those who follow God's teachings can plead with God for good things and God does hear our prayers. God wants justice: He wants good things for the innocent, but also to punish wrongdoing. As Abraham's negotiating with God goes on, we can see that when a conflict arises between punishing wrongdoing and mercifully protecting the innocent, God prefers mercy. Though God punishes wrongdoing, He does not rush into this, but only does so when fully justified.

What does this mean for us? God is good. Bad things happen and we do not always know why. Sometimes, there might be a punishment for a wrong done. Sometimes, we might not be the ones at fault. We often do not know. What we do know is that God wants good things for us and God wants justice. We also know that God hears our prayers. Keep praying for good things. Pray for good things for yourselves. Pray for good things for your loved ones. Pray for good things for the whole world. Pray.
