

## Regulations for Upright Monuments

- Effective August 1, 2012, no trees or shrubs are permitted.
- Pre-existing shrubs are not to exceed the height of the monument.
- Pre-existing shrubs must be at the end of the monument and not behind or in front of the monument.
- A six inch border around the monument is the maximum allowed in this section.
- All walkways are to be clear of plantings, decorations and borders.
- No shrubs are allowed in the Blessed Mother or Infant of Prague sections.
